## What's New

### Three Stingers named football All-Canadians

Three members of the 1997 Concordia Stingers football team were named to the CIAU All-Canadians teams, which were announced on Saturday. Defensive tackle Jeff Anderson and punter Dave Miller-Johnston were named to the first team, while cornerback Lenroy Henry was named to the second team.

Anderson, a second-year tackle, had 15 solo tackles, 37 assisted tackles, five tackles for losses and five sacks for a total of 62 tackles in eight games. These statistics and his tenacious play earned Anderson, 23, the Ontario-Quebec Interuniversity Football Conference's nomination for the J.P. Metras Trophy, which is presented to the outstanding down lineman in Canadian university football. The Metras and the other major awards will be presented Thursday evening in Toronto.

Jeff Anderson

"Jeff's commitment to football goes well beyond the playing field. At six-foot-two, 255 pounds, Jeff is an impressive figure who bench presses more than 400 pounds and runs a 4.94, 40-yard dash," said Concordia head coach Pat Sheahan.

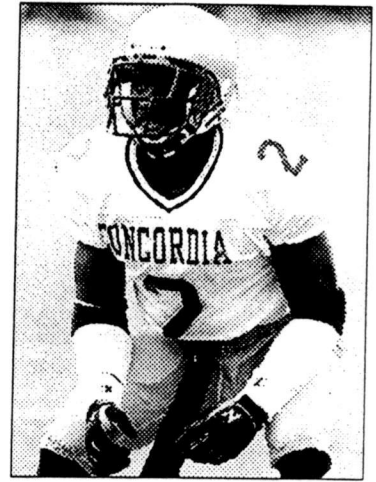

Dave Miller- Johnston

Miller-Johnston, 25, is the first ever All-Canadian at the punter position. This is the first year that the CIAU is recognizing a punter and a placekicker. This fourth-year man led the O-QIFC with a punting average of 42.1 yards. He also led the conference in scoring with 61 points in seven games.

"Dave is highly respected by his teammates for the way he has mastered his craft and contributed to his team's success on special teams," Sheahan said. "Dave's athletic ability enabled the Stingers to have a diverse kicking game, complete with pass and run fakes and strategic kicks not often seen at this level."

Third-year cornerback Lenroy Henry, 27, has had an outstanding year. Last March, he won the gold medal in the 60-metre race at the CIAU track and field championships. This made him an All-Canadian in track. Now, in his first year as a starter with the Stingers he was named a second team All-Canadian in football.

Lenroy Henry

Although he has no mind-boggling statistics to impress people with – he had just one interception this season – he has shut down many of the O-QIFC's top receivers.

"Lenroy is a world class athlete who has committed himself to excellence in football," Sheahan said. "No football player has worked harder than this young man in the areas of winter and summer conditioning, weight training and game preparation. The work ethic that made him a successful track athlete prepared him well for the rigors of varsity competition."
